Insurance is a contract between you and your insurance company. We are not a party to this contract, in most cases. We will bill your primary insurance company as a courtesy to you. However, we will require you to pay our current cash rate at the time of check-in. If you receive payment from your insurance company and the amount is greater than the rate you paid, the additional sum must be paid to us to provide the full payment we billed to your insurance company. You agree to pay any portion of the charges not covered by your insurance.

OFFICE POLICIES *(continued)***Divorce:**

In case of divorce or separation, the party responsible for the account prior to the divorce or separation remains responsible for the account. After a divorce or separation, the parent authorizing treatment for the child will be the parent responsible for those subsequent charges. If the divorce decree requires the other parent to pay all or part of the treatment costs, it is the authorizing parent's responsibility to collect from the other parent.

Finance Charge:

A finance charge will be imposed on each item of your account (30) days of the time the item was added to the account. The Finance Charge will be computed at the rate of one and a half percent (1.5%) per month or an Annual Percentage Rate of eighteen (18%). The finance charge on your account is computed by applying the periodic rate (1.5%) to the "overdue balance" of your account. The "overdue balance" of your account is calculated by taking the balance owed thirty (30) days ago, and then subtracting any payment or credits applied to the account during that time. The minimum Finance Charge is \$.50.

Past-due Account:

If your account becomes past due, we will take necessary steps to collect this debt. If we have to refer your account to a collection agency, you agree to pay all of the collection cost which is incurred. If we have to refer collection of the balance to an attorney, you agree to pay all legal fees which we incur plus all court costs. In case of suit, you agree the venue shall be in Stanislaus County, California.

Bankruptcy:

If you should include your past due debt in your case, we have the right to discharge you from care. Unless the past due debt is reaffirmed and payment is made in full.

Returned checks:

If we accept payment via Personal Check, there is a fee (Currently \$25) for any checks returned by your bank in addition to the check amount. For checks written fraudulently or under a closed account we will assess \$100.00 in addition to the check amount.

Transferring/Copying of Medical Records:

All records requests require a records release authorization signed by the patient or legal guardian. If you request a copy of your records, you will be charged a reasonable copying fee of \$35.00. If a records request comes from another provider or organization, we will provide one (1) copy to them at no charge as required by law. All copies of records over 30 pages total will be provided in PDF file format on CD. You authorize us to include all relevant information, including your payment history. If you are requesting your records to be transferred from another doctor or organization to us, you authorize us to receive all relevant information, including your payment history.

Waiver of confidentiality:

Referral request:

We are pleased to obtain the necessary authorization from your insurance company and refer you. This can sometimes take several days to complete, as some insurance companies require 72 hours to process the request.

Hospital Relief:

In an effort to relieve our local hospital of seeing patients on an emergency basis, we have made arrangements with Doctors Medical Center in Modesto to see Pathway Healthcare patients in the event of a medical emergency.
